

Red + Blue = Purple

From Polarization to Reconciliation

Not a politically correct convergence of feel-good platitudes, but a common trajectory, from varying Christian faith-traditions, toward one transcendent and Biblical goal: True *ONENESS* in Christ, as reflected in the *preamble* to our *Intercessory Appeal to Heaven*, which, Lord willing, will be prominently displayed in all 435 District Offices of the **U.S. House of Representatives...**

Just as an artist combines reds and blues to create royal hues of purple, we believe when WE THE PEOPLE come together under the Master's Hand in *genuine unity*, we transcend the earthly realm of political party-demarcation and step into the majesty of God's Kingdom. Here, He exhorts us to pray for one another as a "first of all" priority, especially for those He has empowered with governmental authority....

*So let each one give as he **purposes** in his heart...* (See 2 Cor. 9:7-11)
