

FOR DEANNA

Words & Music by Tom Demaree

I've been with you for a long, long time
And there hasn't been another
Sometimes we've been down, but aren't we doin' fine?
Hasn't God been good to us?
For I know that I've never dreamed
That I'd have a girl like you
And we love each other
Yes we do

What will we do if the bills aren't paid
And the wind is whispering the blues?
What will we do with the plans we've made
When we're dangerously close to despair?
We will cling to each other and cry
And because of His grace, we'll get by
And we'll love each other
Yes we will

And what will we do when we're old and gray
And the years have come and gone?
For our kids and their families, how will we pray
When our eyes have seen so much?
We will pray that they have all the love
That God's given us from above
And that they love each other
As you have loved me

For I've been with you for a long, long time
And there hasn't been another
Sometimes we've been down, but aren't we done fine?
Hasn't God been good to us?
For I know that I've never dreamed
That I'd have a girl like you
And we love each other
Yes we love one another
You do love me
And I do love you

For I know that I've never dreamed
That I'd have a girl quite like you
And we love each other
Yes we do
