

## RISE IN ME

Words & Music by Tom Demaree

---

Lord Jesus, I bow before Your throne  
And I can't believe You say that I'm Your Own  
'Cause You see me when I stray  
From the place You'd have me stay  
Yet You're always there to gently lead me home

Lord Jesus, I celebrate this day  
How Your rising made a new and living Way  
Now the veil has been torn  
And my life has been reborn  
Yet sometimes I still forget the price You paid

Jesus rise in me  
Jesus rise in me  
All my destiny  
Lies in obedience to You, my Lord

I must become less  
So You can become more  
All I'm askin' for  
Is the strength to make it through  
All the things You call me to  
Help me always to love You  
More and more  
Jesus rise in me

Now the time for rejoicin' is here  
'Cause my Jesus, He really did appear  
So let's praise Him; Let's raise the roof in song  
And praise my savior all day long

Lord Jesus, I celebrate this day  
How Your rising made a new and living Way  
Now the veil has been torn  
Any my life has been reborn  
Yet sometimes I still forget the price You paid
