

## SECOND CHANCE

Words & Music by Tom Demaree

---

Seems everybody's talkin'  
Desperately believin' for that second chance  
But that was not my style  
I was happy on my own

'Cause I was never half a man  
My Father and my children were enough for me  
Exceedingly abundant  
Beyond what I could ask or think

Then you came into my life  
And you changed everything  
You came into my life  
And there was more  
So much more

I didn't think that we would ever meet  
But I can't imagine anything so sweet  
As loving you

Now my life is changin'  
I'm gladly rearrangin' all my dreams  
'Cause the dream that has come true  
Is right before my eyes

I promise I will love you  
And hold no one above you in this life  
'Cause you gave me a second chance  
When you became my life
